Pioneer Shade Structures is a fast growing and proactive company that caters to customers Sydney wide and further afield. Our pergola, carport and shade structure designs are a stylish alternative to outdated trends.

What distinguishes us from the competition is our light framed designs and aesthetic appeal. Where others fail to find a balance between looks and practicality, Pioneer Shade Structures can deliver a great looking and effective product that will make you the envy of the neighbourhood.

In all areas we strive to maintain simplicity with an emphasis on fewer posts, big spans and lightweight materials.
